

Muro Twin Spot with Sensor Spotlight

Description

Integrating LED technology with the traditional spotlight, the MURO26S LED Spot Light provides an efficient and cost-effective solution for outdoor lighting. Constructed from die-cast aluminium, with a glass cover, and rated at IP44, the MURO26S is capable of braving the elements while providing you with a consistent wash of white LED light over your favourite outdoor areas. The MURO26S also features a SENSOR, enabling detection and automatic power-up of this super bright LED spot light.
